

Preschool Tuition

Tuition and Other Fees

Living Savior Preschool is a **not-for-profit organization**, and we try hard to keep our tuition as affordable as possible. Our school is supported entirely by tuition and fees, supplemented by donations and annual fundraisers.

Tuition is considered an annual amount and may be paid in advance; however, we have broken it down into monthly increments for families' convenience:

- Registration Fee [nonrefundable] \$ 75.00
- Monthly tuition for 3-year-olds \$165.00
- Monthly tuition for 4-year-olds \$190.00
- Materials/ Activities fee \$50.00
- Pre-K registration (nonrefundable) \$200.00
- Pre-k Monthly Tuition \$360.00

For Preschool only, we require payment of first and last months' tuition (September and May) & Materials/activities fee by August 1st.

A sibling tuition discount of 25 percent is offered for additional children (after the first one) from the same family.

The Mission of Living Savior Lutheran Church

*Alive in Christ, we share the love of Jesus –
we serve, care for, support, and nourish each other,
our community, and the world!*

In keeping with this mission, we at Living Savior Preschool believe:

*Early childhood education is an integral part of
congregational mission and ministry.*

*The young child is a gift from God and learn best
through play and by developmentally appropriate
activities provided as avenues for learning.*

*Early childhood education provides a warm and
loving Christ-centered environment where children
can develop to their fullest potential spiritually,
socially, emotionally, intellectually, and physically.*

*Early childhood education is a joint ministry that
involves the child, the family, the staff, the
congregation and the community.*

.Living Savior Preschool Objectives

*To teach simple Christian truths from the Bible and
relate them to the child's life.*

*To encourage the development of the whole child by
teaching the child responsibility and feeling secure in
the love of God through Jesus Christ.*

*To encourage the child in self-confidence,
concern for others, cooperation, and sharing
in work and in play.*

*To increase the child's skills in listening,
self-discipline, conversation, creative
self-expression, and independent play*

Preschool Curriculum

Our lead teacher, **Michelle Wolfe**, oversees curriculum. She has a bachelor's degree in Elementary Education and a Specialization in Special Education, along with a Masters in Reading and Literacy. The staff has developed activities centered on Concordia Publishing House's "One In Christ" Bible-based curriculum. Dramatic play reinforces the use of the children's imagination. The children use all their senses to explore. Cognitive skills are encouraged with a variety of games, puzzles, and other materials. Large motor skills are strengthened using outdoor and indoor playground equipment and provides an opportunity to stretch and exercise. A wide variety of creative media allow the artist in your child to express him or herself. We help prepare your child for kindergarten by teaching the alphabet, colors, numbers, songs, a little Spanish and sign language! Academics are taught at Living Savior *through play*, such as matching games and finger plays. Every game or toy has a learning purpose. We also have a weekly focus on a letter, number, color, and shape. We use the Learning Without Tears "Get Set for School" curriculum. Get Set for School is a flexible, play-based curriculum that offers a full pre-writing program and materials that build critical skills like early math and literacy. It includes three programs designed to prepare children for school: Readiness & Writing, Language & Literacy, and Numbers & Math. Socialization is another important aspect of preschool learning at LSP: Kindergarten teachers have told us that they want us to send them children who are **ready to learn** – children who can sit in a group and listen, line up and make a transition from one place to another, interact with other children in appropriate ways, wash hands before eating and after using the bathroom, wait for his or her turn to talk or play with a toy, and other life skills.

Pre-K Program

Our Pre-K class is designed for the older preschooler who will be turning five years old by or before December 31, 2020 and who is developmentally ready to experience more structure and academics than our four's preschool program. Also Pre-K is intended to serve five-year-olds who are not quite ready for full-day kindergarten but are in need of more structure, with a focus on academics, in preparation for elementary school. Katie Gates is our lead teacher; she has a BA Degree in Psychology. Our Pre-K program fosters development in core areas of literacy and math driven by kindergarten Common Core State Standards. We are a God-centered, nurturing, organized environment. Our curriculum is developmentally appropriate, integrated, and hands-on. Our thematic units encompass reading, math, science, music, and art. With a small class size of 16, we are able to meet individualized needs.
